PRESENTS THIS APPLICATION

to the **Doctoral Course on Robotics, Neurosciences, Nanotechnologies and Drug Dicovery in collaboration with the IIT Foundation** for the academic year 2008-2009

TO THIS END DECLARES

Pursuant to art. 46 of the Presidential Decree No. 445 of December 2000, regarding substituting certification:

a) To be of _____ Citizenship;
b) To have obtained the Italian degree in _____ at (Institution) _____with marks _____on (date) _____;

Or

(for non-Italian degrees already declared equivalent to the Italian "Laurea ")
To have obtained the degree in _____ at (Foreign Institution)_____with marks_____ on_____ already declared equivalent to the degree called for by the Italian system with measure No. _____ of _____
Or

(for non-Italian degrees for which does not exist a declaration of equivalence to the Italian "Laurea ")
That has obtained the degree in _____ at (Foreign Institution)_____with marks_____ on_____ and asks the Board of Professors of the Doctorate to evaluate and to declare the equivalence of the degree to the Italian Laurea.

---

[1] This is the equivalent of the social security number and is given to all Italian Citizens and to foreign citizens working, also temporarily, in Italy.

Or

In case I have not obtained yet the laurea degree or equivalent at the time of submitting that application, I commit to give proof of it within 31st October 2008, according to the regulations in the call

c) To have a (sufficient/good/excellent) knowledge of the English language;
d) To apply for the following *Research Theme* _____ (see Annex A);
e) To intend to enrol to the doctoral program on a *full-time* basis;
f) To promptly inform the University in case of change of address in relation to the present application;
g) To be aware of the criminal sanctions provided for by article 76 of the Presidential Decree No. 445 of December 28, 2000 and by any dispositions of the Italian criminal code in the event of false information in mendacious declarations and producing forged documents.

It is necessary to attach on this application a photocopy of passport or a valid identification document in the country of citizenship

I will send, by the 3rd October 2008, the following documents at Dipartimento di Informatica, Sistemistica e Telematica (DIST) – Viale Francesco Causa 13 – 16145 Genova, Italy (Attn. Prof. Giulio SANDINI):

a) Signed list of documents send with a copy of passport or a valid identification document in the country of citizenship;
b) Curriculum vitae et studiorum with all titles considered relevant;
c) (In case the candidate presents degrees not obtained in Italy) documents supporting the request for equivalence or demonstrating that such equivalence has been already declared.
d) Copy of the thesis dissertation (if mandatory to obtain the degree) and of any other publication that may be considered relevant;
e) List the courses attended with individual marks
f) Statement of research (max 20.000 characters). The statement of research should be related to the *Research Theme* declared by the candidate in the application (and selected from Annex A) and should contain the following details:
    – Title of the research;
    – State of the art in the field and bibliography;
    – Objectives and results expected;
    – (if relevant) experimental methods and data analysis.
g) At least one recommendation letter.

Date and Place _____

Signature

_____

Candidates will not be personally informed about the outcome. Results will be published in the terms of article 5 of the call.
